Notes:

Cooling-off period: Students are able to change their mind and cancel their intended training. A cooling off period of 7 business days applies from the date they complete and sign their enrolment documentation.

- 1) Students who meet government funded training criteria. These students are only required to pay a student tuition fee and material fee (where required), and the government provides significant course subsidies.
- 2) Students who do not meet the government funding eligibility requirements are required to pay all course costs and material fees required for their chosen field of study.
- 3) The Maximum Govt Subsidised Hrs are NOT the total hours to deliver the course. The student tuition fees are indicative only and subject to change given individual circumstances at enrolment. Additional fees may apply such as student services and amenity fees. This Training is delivered with Skills First Funding. People with disabilities are encouraged to apply.
- 4) Concessions: Depending on your circumstances you may be eligible for a concession - which will reduce any fees you may need to pay. Concessions on tuition fees are available for government-subsidised training in all courses below Diploma level and for training at any level, including at Diploma level and above for Indigenous students. Fee Waiver/Exemption: Some Students may be eligible for Fee Waiver/Exemption. Tuition Fee will be waived for eligible students. Concession students need to pay 20% of the tuition fees.
